# biggest ever sale

## Our biggest ever SALE is now on ...

All frames, including designer names and the new 2011 spring collections are included in our biggest ever frame sale, and with expert frame consultants to help you choose, you're sure to pick up the perfect pair at a fabulous price.

AND you can also receive up to £50 in discount off your lenses with the vouchers enclosed.

AND if that's not enough, choose to pay by interest free credit and spread the cost over 10 months!

Conlons will deduct all the discounts for you, then simply pay a 20% deposit and the remaining balance is split into 10 equal payments which are collected each month by direct debit. It's simple. All you need is 2 forms of ID (eg. drivers licence, passport, utility bill, bank statement) and Conlons will do the rest.

AND finally, to ensure complete satisfaction, there's a full exchange policy for up to 90 days from the original date of purchase just in case you change your mind!

Phone now to make an eye test appointment, or call into your local branch for a coffee and a browse.

There is no need to wait, spread the cost of your new eyewear now at Conlons Opticians.
